Player Profile

GARY KELLY

Gary is the heart of the Sea Gulls' defense this year. For the past two seasons, he has been a steady performer, averaging better than four points and rebounds per contest. This season, he has more than doubled those figures. A starter in every game this year, Gary has had to adjust to playing both center and forward. Defensively, he is the quarterback of the team, shouting verbal commands to assist the team in its coverage of opponents. He is the leading rebounder on the team, having already surpassed his total for last year of 108. Gary is the strong point in Salisbury's weakest category-rebounding.
